Safety Moment: DEER HIT

A few words from Louis Panzer

- DIRT report released: damages trending flat or slightly up
- New membership agreements being required for associate members.
Clarifying the release of liability to NC 811 of actions taken by those members.
- Congratulations to Bobby Gurganus as our very first recipient of the safe digging challenge coin!

ID Your Marks

Locators, be sure to identify the facility operator who owns the line being marked.

See the Underground Utility Safety and Damage Prevention Act section 87-121 (1a) for marking identity info

PLEASE NOTE

If the diameter or width of the facility is greater than four inches, the dimension of the facility shall be indicated at least every 50 feet in the area of the proposed excavation or demolition. An operator who operates multiple facilities in the area of the proposed excavation or demolition shall locate each facility.

The operator's identity, marked as provided in subdivision (1) of this subsection, in the area where the proposed excavation or demolition is to occur. At a minimum, the operator's identity shall be marked at the beginning point, at intervals of 200 linear feet, and at the end point of the proposed excavation or demolition.
